RESOURCES **IN-HOUSE POST FACILITY**

North Film Co. has a state of the art post-facility, which includes our in-house video editing suite, colouring suite, post audio, and an ADR booth.

RESOURCES

IN-HOUSE CAMERA PACKAGE, LIGHTING / GRIP PACKAGE.

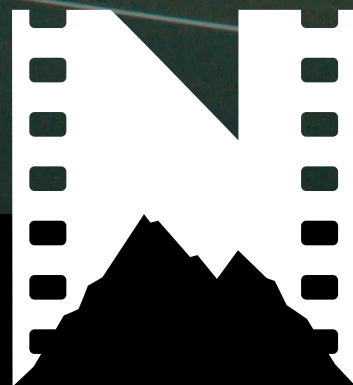

Having both the latest Full-Frame camera from Arri, in the form of the Alexa LF, and pairing it with the best set of prime lens Arri offers, the Arri Signature Prime, North Film Co. can ensure the highest quality 4K image possible. We have industry standard lighting equipment from notable brands including Arri, Astera and Aperture. The variety of lighting solutions we provide is unparalleled. We can tailor to the specific needs of your productions. On top of that, we have access to this equipment 24/7. With our state-of-the-art equipment, we are able to capture even the most intricate shots your production may require.

RESOURCES **IN-HOUSE** DRONE STEADICAM & ON SET DIT.

All of our industry-standard equipment is owned in-house. We can tailor to the specific needs of your productions. On top of that, we have access to this equipment 24/7. With our state-of-the-art drone & steadicam, we are able to capture even the most intricate shots your production may require. We are able to deliver footage almost instantly on set with our custom DIT equipment. This makes viewing dailies effective and efficient.
